Our Time to Shine

Dedication p.4

– Edith Wharton

Faculty p.6

"You may think your light is small, but it can make a huge difference in other people's lives."

Seniors p.12

"Within you is the light of a thousand suns."
-Robert Adams

Underclass p.53

"Stars don't shine because they want to be seen. They shine because they are stars."
– Alexander Den Heijer

As the class of 2019, we are able to say we have finally made it! We would like to sincerely thank all of the staff for helping us become the stars we are and allowing us to shine as we continue to find ourselves after graduation. With bright futures, we are able to move on from Waltham High School and reflect on the experiences in which we have shared together. The long lasting memories we have been able to share and the lessons we have all learned have shaped us all into the people we are today.

As Freshmen, our class signed a poster that says "Together We'll Shine Class of 1-9". This poster has been hanging in the house office for all of our four years at Waltham High School. The idea of shining and succeeding together as a class as is prevalent as we progress on to bigger and brighter things. Whether you decide to further your education, enter the military, or enter the workforce, we can ensure that the lessons you've learned at Waltham High School have prepared you for your future.

Fall Sports p.72

"Never dull your shine for somebody else."
-Tyra Banks

Winter Sports p.90

"To shine your brightest light is to be who you truly are."
- Roy T. Bennett

Clubs p.109

"See the light in others, and treat them as if that is all you see."
-Wayne Dyer

Student Life p.124

"Nothing can dim the light that shines from within."
-Maya Angelou

We Dedicate the 2019 Mirror to you

Deb Riggott

The Yearbook Staff would like to dedicate the 2019 Mirror to Deb Riggott. Before her time at Waltham High School, was quite the athlete herself, earning an athletic scholarship to Miami University of Ohio with the intention of playing field hockey. She later decided that she wanted to focus on the rigorous athletic training program that the school offered, and forfeited the scholarship. A few short years after graduating from Miami University, Deb passed her National Athletic Training Certification Exam in the spring of 1987. Later that fall, she would find herself as a full-time athletic trainer at Waltham High School after completing her part-time training position at Minuteman Technical High School for the school year prior.

Deb Riggott has been Waltham High School's physical trainer for 32 years. As physical trainer for every sports team, she has created countless relationships with student athletes, along with coaches. Deb has proven her unconditional care for each and every athlete through being such a talented trainer, even in the most frigid Thanksgiving football games. During her time at our high school, she taught an Athletic Training course, which sparked quite the increase in students going off to college to study physical training. In 2010, Deb was honored at the Girls and Women in Sports Day, where she was awarded the Massachusetts Women in Athletics Distinguished Service Award from the MIAA. Not only is she an athletic trainer, but she has been Waltham High School's fundraising coordinator for many years. Deb Riggott was inducted into the Waltham Athletic Hall of Fame in 2016, which she also founded. Her greatest accomplishment outside of athletic training is her family. Her husband of 29 years, Gary, and her two children Steven and Alexis, have been supporting her along her journey of being the greatest athletic trainer Waltham High School has ever seen. Thank you Deb for all you have done for us and our community and congratulations on your retirement!

The yearbook staff would also like to shine the spotlight on...

Mr. McMahon: Mr. McMahon has been the trusted leader of the Class of 2019. His guidance, motivation, and respect for us has created an unbreakable bond. We admire his strong persona and hope that some of it has rubbed off on us in these past four years. We feel special that we are able to be his first class as an Associate Principal and wish him the best of luck with his future endeavors.

Mrs. Quinn: We would like to thank Mrs. Quinn for all of her hard-work in order to make our lives at school run smoothly. Her sincere commitment to our class does not go unnoticed! We will miss her friendliness but mostly her strong engagement with each and every member of our class.

Ms. Feeley: Ms. Feeley has been a vital individual in our lives over the past four years. We are thankful that she could be someone we could chat with, vent to, or even just someone to have a warm hello from in the hallways. We will miss her kind and outgoing personality!

Mrs. Sorin

For the past four years, Mrs. Sorin has taken on the responsibility of being Waltham High School's Yearbook Adviser. Her organization and loyalty to our class should definitely not go unnoticed! Mrs. Sorin is the reason why we will have these great memories compiled for years and years to come and we cannot thank her enough!

Mr. Cox

For 38 years, Mr. Cox has been an instrumental part of organizing senior events. Being the NHS Advisor, Mr Cox is in charge of setting up Senior Social, Senior Dinner and all NHS events. Mr. Cox's consistent devotion to his students and passion for establishing a strong school community since 1983 has made the celebrations for the senior class memorable for all.

Deb Finnell

The Class of 2019 would like to give a special thanks to Deb Finnell for all of her hard-work, especially on our Senior Revue. Deb has been dedicated to making the theatre a home for those who grew up doing shows, and even those who have never been on a stage. We are thankful for each experience she has provided us with, both off and on stage and we will cherish our memories forever!

Cross Country

This season, the cross country team was able to improve in timing and continue hard work to advance in strengthening their running and boosting their endurance. The team competed in numerous meets and displayed their capability to attain quick times. Their most fond memory was their meet at Wayland High School where they beat Wayland on their home course. The 22 runners made Waltham proud as they completed another great cross country season.

The most impressive game was a huge upset against Westford Academy under the lights with a final score of 2-1 with a win for the Hawks. Their record does not show the commitment and dedication of the players. Players could have easily quit when things got bad, but they stuck it out. A highlight of the season was star Senior running back Anthony Davis hitting his 1,000th yard mark during the Senior home game.

Gingerbread Houses & Book Swap

T'was the Friday before the Gingerbread Book Swap
When all through the school
The Freshmen Mentors were preparing
For the holiday event that RULES!!

The flyers were hung in hallways with care
In hopes that staff and students soon will be there;
Donated books have stacked up, waiting to be read,
While rumors of a surprise staff member as Santa are starting to spread;

We've got supplies and candy and a holiday playlist that rocks,
And FREE books and DVDs that will blow off your socks,
So bring your blueprints, your friends, and your holiday cheer,
The annual structural engineering aptitude test is finally here!

And when we put the finishing touches on the last retaining wall,
Please reflect back on the most important part of it all,
We're not just building gingerbread houses that glimmer and shine,
We're building positive and trusting relationships with each other at the same time.
